King Salman Park

Successful Go-Live For

THE WORLD'S LARGEST PARK

SOLVING FINANCIAL
PLANNING & BUDGETING CHALLENGES

for King Salman Park with Oracle EPM.

Public Sector & Infrastructure

About The Client

King Salman Park is a green oasis in the heart of **Riyadh**, Saudi Arabia. Designed to inspire future generations, it shows that even a desert can grow a forest. The park supports the **Saudi Green Initiative (SGI)**, which aims to plant **millions of trees**, restore degraded land, and work toward net-zero carbon emissions.

Covering over 13 square kilometers, King Salman Park offers a world-class space for leisure and entertainment. Once completed in 2026, it will be the largest urban park in the world, fulfilling Saudi Arabia's Vision 2030 goal of creating sustainable, healthy communities and driving climate action

The Challenge

- Managing their **Financial Planning and Budgeting** processes.
- Ensuring smooth collaboration between the **Finance, IT team, and Top Management**.
- Preparing for the **growing complexity** of operations as the park evolves into a global attraction.
- They wanted to make sure they would continue to get **support and help** to manage complex financial tasks.

Our Solution

We successfully implemented **Oracle EPM Planning** to streamline the client's Financial Planning and Consolidation

Improved performance and faster financial processes.

Enhanced security to protect sensitive data.

Additional features that made financial planning more efficient and user-friendly.

Training and support to empower the finance team to work smarter and more effectively.

Technology Used

- **Oracle EPM Financial Planning:** A holistic solution that ensures accurate planning, budgeting, and reporting for large organizations.

The Results

The implementation of **Oracle EPM Planning** brought several benefits to **King Salman Park**:

Improved Performance:

Faster and more efficient financial processes.

Empowered Finance Team:

The finance team now works more effectively with advanced tools and features.

Enhanced Security:

Better protection for critical financial data.

Future-Proof Technology:

With Oracle ongoing support, the park is equipped to handle future challenges and business growth.
